

THE HT GROUP

hire performance, powered by you

Grow, Expand, Profit.
Sound good?

Let's get started.

Our relationships run deep, our sense of urgency matches your own, we have better candidates and we don't rest until the job is done right and done well.

We operate with a true sense of urgency and understand the consequences of inaction.

The HT Group is a group of passionate, dedicated staffing professionals whose main goal is to change the lives of the people in our community by helping grow businesses. Our team is made up of experts who are truly passionate and deeply committed to the work that we do for employers. Our well of excellent candidates is always expanding—which means yours is too.

WHAT'S IN IT FOR YOU?

Get the best candidates, fast. Have the ability to evolve, pivot, and grow with a team that understands your business from the bottom up.

What makes us different:

Relationships:

We choose who we work with
and build lasting partnerships.

Dedication:

We truly care about our
customers and candidates.

Experience:

We take pride in follow-through
and deliver on promises.

Urgency:

We operate with a true sense of
urgency that matches yours.

WHAT WE DO

We work with employers to fill positions with the right talent for the job. We choose to work with people and businesses who value quality over quantity, who possess the sense of urgency needed to get the job done, and who are committed to doing things right.

We find and vet candidates, we learn your company culture, and we ensure the best fit, every time.

Staffing

Our Staffing Division provides award-winning temporary, temp-to-hire and direct hire services for a variety of industries.

Professional

We place executive management and hard to find C-level talent in a variety of industries nationwide.

Technical

All of your IT needs met—contract, contract-to-hire, and direct-hire services. Our technical experts have the talent that you need.

Staffing Division:

A favorite among Fortune 500 companies and small businesses alike, our staffing experts help you fill positions in temporary staffing, temp-to-hire and direct hire positions for administrative, customer service, accounting, light industrial and manufacturing.

We will expand your talent pool and save you time by finding the best talent quickly. Let us do what we do best so you can focus on your core business.

Professional Division:

Recognized as a leading executive search firm in the US by Forbes Magazine, we provide access to premier professional, management, and executive talent.

Our recruiting experts know what questions to ask, what answers to expect, and the skill sets needed for the right hires. We know that growing your business requires top talent and it's that quality you'll get from our candidates.

Technical Division:

Our team of technical recruiting professionals helps you reduce and control costs, increase access to qualified personnel, and minimize recruitment time and internal expenses. Spend time focusing on what matters as we find the right talent to fill your contract and direct-hire needs.

We fill positions for a wide range of titles, from CIO to Software Developer to Technical Support—we vet our candidates to ensure the right skill and culture fit for your growing business.

WHAT TO EXPECT

When The HT Group partners with an organization, we do so because we recognize a mutual desire to build a better business. Our teams form relationships and dig deep to learn company cultures and skill set expectations, as well as train candidates and thoroughly vet them to ensure the right fit every time.

The HT Group isn't a recruiting factory with a one-size-fits-all approach. What makes us different is our approach to how we do our work:

Relationships

Dedication

Experience

Urgency

Sound good to you?

Let's start building
something great together.
